# Letter from the Board President

Dear Esteemed Members and Supporters,

As I reflect on the remarkable journey that has led me to this moment, I am deeply honored to present our organization's Annual Impact Report. My name is Tiffany, and I stand before you not just as a medical doctor specializing in traumatic brain injury but as someone deeply committed to the betterment of our community.

Having been born and raised in the vibrant surroundings of Prince George's County, I've always held a profound sense of duty towards serving my community. It is this very sense of responsibility that propelled me to transition into the role of President within our esteemed organization. It's a role I hold with immense esteem and humility.

My professional journey has been guided by a steadfast dedication to rehabilitation medicine. It's a field that not only encompasses my expertise but resonates deeply with my belief in the potential for growth and healing in every individual's life. But beyond professional accolades, my spiritual growth, family values, career milestones, and entrepreneurial endeavors have collectively shaped the lens through which I view the world.

For me, each consultation, each interaction, is an opportunity to optimize every facet of life, driven by the pursuit of excellence for the greater glory. I firmly believe that by working together, we can achieve remarkable strides in transforming individuals, families, and communities.

It's this collective effort, this shared commitment, that propels us forward. I invite each of you to join hands as we embark on this journey together. Let us strive to become better, stronger, wiser individuals, fostering thriving families and nurturing resilient communities.

Thank you for your unwavering support and dedication to our cause.

With heartfelt gratitude,

*—Dr. Tiffany Howard*

# A Tale of Two Tiffany's

## Letter from the Executive Director

Dear Esteemed Members and Supporters,

I trust this message finds you well. It is my pleasure to present to you the Annual Impact Report for the fiscal year 2023. Our journey throughout the past year at Nonprofit Prince George's County (NPGC) has been marked by remarkable strides and positive outcomes, thanks to your unwavering support and our dedicated team's efforts.

Together, we've witnessed significant growth and progress in our mission to champion and empower our members. Your commitment has been instrumental in shaping the transformative impact we've had on countless lives and organizations across Prince George's County, making this year truly exceptional.

Looking ahead, our unwavering commitment remains centered on amplifying the voices of our members. Collaboration, advocacy, and education will continue to form the cornerstone of our initiatives, striving to foster an inclusive and equitable landscape for all nonprofits within our community.

Our foremost goal is to further emphasize the importance of equitable funding opportunities within Prince George's County. Recognizing the urgency to break barriers and establish avenues for equal access to resources, particularly for organizations led by individuals of color, is pivotal. Through our advocacy for systemic change, we aim to cultivate a more vibrant and equitable nonprofit sector that benefits the entire community.

I encourage you to delve into our Annual Impact Report, which showcases the triumphs reflective of the collective effort and unwavering dedication exhibited by our Board, members, partners, and supporters. Together, we'll continue to push boundaries, seek growth, and foster enduring impacts for all our members.

On behalf of the entire NPGC team, I extend heartfelt gratitude for your continued trust, collaboration, and dedication to our shared objectives. We eagerly anticipate embarking on this new chapter with renewed determination and passion, united in our pursuit of creating a brighter future for our community.

Warm Regards,

*-Tiffany Turner*

# Testimonials

“

Fair Chance is a nonprofit capacity building organization and I learned about NPGC because my organization is part of a collaborative of capacity builders in the metropolitan area. So much of the focus on nonprofit well-being is focused on direct service while ignoring the infrastructure building needs of nonprofit organizations staff and leaders which is where capacity building comes into play. What I love about NPGC is the range of offerings like the collective check-in, the specialty workshops offered through the Lunch and Learn program, and the Breakfast with Tiffany's opportunities to meet our local leaders, hear about their priorities and share our concerns with them. One of the biggest ways that I have tended to use NPGC is space usage and Tiffany has been an amazing thought partner. They have a beautiful resource center, great meeting rooms available and the staff is knowledgeable, friendly and accommodating.

Executive Director  
Fair Chance

## City of College Park

The City does not just partner with anyone, we strategically partner with other organizations that are doing things and going places. I have enjoyed the Zoom meeting and learning from others in the industry to make us the best in government. I love Tiffany's leadership and direction and what we have learned from her and others.

Teresa Way-Pezzuti  
Director of Human Resources

# Testimonials

“

We are so grateful for the partnership with NPGC. This program has given Faith Temple Church the opportunity to provide additional nutritional food to our church family and to the surrounding communities. The clients are so pleased with the fresh produce and items included in the boxed grocery. Thank you for allowing us to participate with NPGC. We look forward to continuing our partnership in the future, NPGC is a blessing to our community.

Rosetta Higgs,  
Program Director, Site Coordinator  
Faith Temple No. 2

The Ivy Community Charities of Prince George’s County, Inc. has been a member of Nonprofit Prince George’s County for more than 15 years - when it was known as Human Services Coalition. Through our partnership with NPGC and as a result of the various training workshops that are offered, our organization was able to earn Maryland Nonprofits Standards for Excellence Basics, Basics Enhanced and Accreditation levels! Because we recognize the value of the workshops and networking opportunities, we provided memberships in NPGC to all of the nonprofit partners participating in the Ivy Village Incubator for Nonprofit Excellence or Ivy VINE that we established in 2023. We encourage all nonprofits regardless of size to become members of NPGC in order to enhance their capacity to better serve the community.

Cheryl Petty Garnette  
Executive Director  
The Ivy Community Charities of Prince George’s County, Inc.
